Dear Club Member

Re: Online Club Shop

We have agreed to use Kitworld as the new provider for Plympton CC kit and clothing. Please see below a communication from them regarding the service they will provide.

The reasons for this are that Kitworld can provide a cheaper product of equal quality with better delivery terms and Adam is available locally to provide support, should it be needed. Also the club will benefit in the form of new T20 playing shirts and a small donation on every order.

If you have any questions regarding this please feel free to contact me.

Regards

Keith

Welcome to the 2018/19 cricket season, we at Kitworld are delighted to have agreed terms to become the core supplier of Cricket kit for Plympton Cricket Club. We have produced a wide range of garments that will be available on a 24/7 basis through the club shop and available for local pick up at our shop at Faraday Mill in Plymouth. If you do not come this way, then you can simply request the items is sent recorded delivery to your home address and this will be an additional cost.

By the club committing to Kitworld for a term of two years, we have agreed to produce a set of FREE playing shirts for a clubs chosen team, and we can assure you the quality is on par with the previous supplier, just now we offer a swifter return of ordered garments. The pricing has also been reduced, and the club will benefit financially from every order as part of the agreement.

Look forward to a successful season both on and off the pitch at Plympton CC. Please se the link to the club shop: <https://kitworld.uk/product-category/plympton-cc/>

The on field playing kit is a 3 week turnaround from point of order. The off field items are up to 7 working days.

**Thankyou for the opportunity given**
